CORVETTE EXCELLENCE AT PINE KNOB

Track Day at Waterford Hills Raceway Friday, August 13 9:30 AM - 4:30 PM

Sponsored by Cauley Chevrolet

This Track Day will allow Corvette owners to notch their driving skills up one more level in an exclusive Corvette Driving School with track critiquing. Participants will have exclusive use of the Waterford Hills Raceway track during this day-long experience.

This is not a race. It is an opportunity for you to drive your Corvette in the environment of its heritage, on an actual road race course. Drive at your comfort level and learn what you and your car are capable of doing without the dangers and distractions of traffic. Professional driving instructors will be in attendance - and even better, lunch will be provided. This event promises to be a great time, loaded with fun.
